Spring Semester 2008 Final Examination Schedule

How to use this chart: Look in the center boxes of the table to locate the meeting days and hour for your class. To identify the final exam day, follow the column upward. To identify the hour of your exam, follow the row to the left. **“Classes which meet first” refers to the initial class meeting of the normal instructional week; the start time will be considered as meeting at the beginning of that hour (e.g., 9:30 = 9:00 a.m. in the exam schedule).** For example, if you have a 12:30 p.m. class that meets on Tuesdays and Fridays, then your final exam will be held on Monday, April 28, 4:00 - 6:50 p.m. Finals take place in the same classroom in which the class met all semester.

Good Luck!

For classes not listed in the table and for exam conflicts (e.g., three consecutive exams), students must obtain written permission from the affected instructor and the instructor’s Division Chair by the last day of semester classes to take their exam at a time when the instructor is giving another regularly scheduled exam. Students may not change the date or time of a final exam without the written permission of the instructor and the instructor’s Division Chair.

Travel plans are not an acceptable excuse to move an exam; students must plan their travel arrangements accordingly.
