A final exam takes place in the same classroom in which the class met during the term. For classes not listed in the table and for exam conflicts, students must obtain written permission from the affected instructor and the instructor's division chair by the last day of term classes to take their exam at a time when the instructor is giving another regularly scheduled exam. Students may not change the date or time of a final exam without the written permission of the instructor and the instructor's division chair.

Travel plans are not an acceptable excuse to move an exam; students must plan their travel arrangements accordingly.
