

SVU Campus Disc Golf Course*

Please be aware of your surroundings before you throw the disc. **DO NOT THROW IF THERE ARE PEDESTRIANS OR VEHICLES NEAR!!!**

Rules and Guidelines:

1. Scoring is done the same as in regular golf, but using flying discs. One stroke is counted each time the disc is thrown. Lowest score wins.
2. Fairway throws must be made with the foot closest to the hole on the spot where the last throw came to rest.
3. A "run-up" is permitted until a player is within 10 yards from the target.
4. The disc must come to rest in the basket or in the chains for the hole to be complete. Hitting the target is not sufficient.
5. A throw that lands in a hazard (any disc that lands on a paved or cemented area) must be played from the point where the disc entered the hazard. Add a 1 stroke penalty.

*Course is open to the public. Discs available through the Student Union check-out desk.
